

CrossChex Cloud

New Cloud-based Time & Attendance Management Solution Works for Any Business

Easily track and manage employee attendance from anywhere, anytime

- Manage your time and attendance on cloud without any software.
- Access data anywhere, anytime, from any computer.
- Track employees from any location to see where employees clocked in and out.
- View reports of employees' attendance and health.
- Shift work times whenever you want.

How CrossChex Cloud Works

1

Choose your biometric devices and sign-up CrossChex Cloud

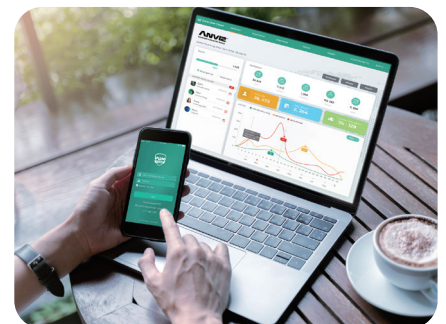

2

Employees' attendance data is automatically sent to the cloud

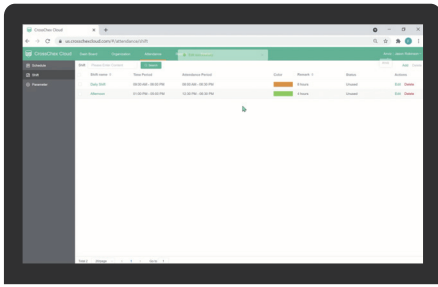

3

View reports, data, and dashboard 24/7

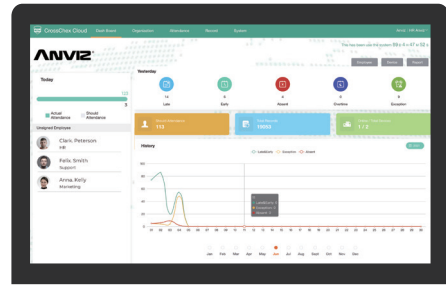

Key Features

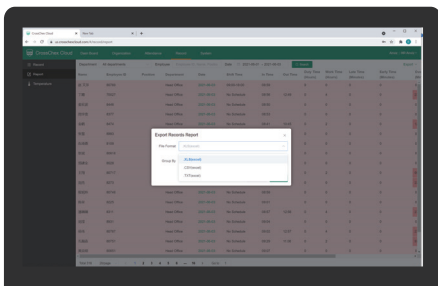

Best-in-Class Scheduling

Easily set up attendance rules, create and manage employee schedules for all your organization.

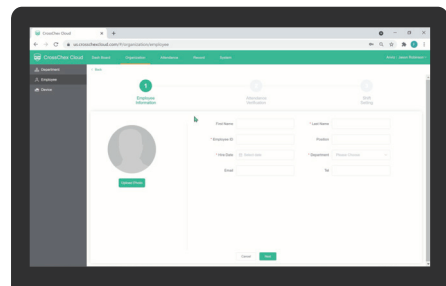

Powerful Dashboard

The handy dashboard lets you easily track employee attendance by real-time analytics.

High-Impact Reporting

Easily track and export employee hours in seconds which makes you feel intuitive with daily processes.

Super Easy Employees and Devices Management

Easy and quick to set up devices and add, delete, or modify employees' information.

Time & Attendance Made Easy

Make it easy. Make it fast. Get early access to track and manage employee attendance from anywhere, anytime.
