

# EVO Series

 IP Video Surveillance Certified Global OEM

## EVO30 Models—Network Video Recorders—NVR

BCDVideo's EVO30 Series is a family of high-performance Network Video Recorders that provide easy setup and is a reliable, yet cost-effective surveillance system for IP network cameras. The EVO30 enables both live view recording and playback for up to 30 IP network camera and comes certified, pre-loaded, and licensed with your choice of AXIS Camera Station, Milestone XProtect Essentials, or OnSSI Ocularis PS Video Management Software.

The EVO30 Series family includes BCDVideo's SMART Technology modules, including SMARTconnect and SMARTvms. This technology minimizes any end-user downtime and offers the ability to bring cameras back online in minutes rather than hours or days in a disaster recovery situation. The BCDVideo EVO30 Series Platform includes lifetime telephone support, as well as a three-year global onsite hardware warranty, which is upgradeable to a five-year onsite warranty.

### Key Features

- Intel Xeon Processor
- Lifetime Phone Support
- 3-Year Onsite NBD Hardware Warranty
- Pre-Configured & Licensed
- BCDVideo SMARTconnect—Remote Access Module
- BCDVideo SMARTvms—System Configuration module
