

## NOVA STORAGE SERIES

professional DAS & NAS storage

### BCD570-DAS DIRECT ATTACHED STORAGE

The BCDVideo Nova Series is designed specifically for Enterprise IP Video Surveillance applications. The BCD570-DAS is a direct attached storage array that can be mated to any Nova Video Recording Server to expand the storage. The Array supports 6G SAS technology for high availability of your archive video. The BCD570-DAS can reach up to 420TB of storage.

\* Requires server to have an external RAID Controller installed.
