

Features

This is a high quality, extreme armor dome camera using the latest CCD technology from Sony's 420 line, 1/4" color CCD sensor. Auto switching Day / Night with 24 Infrared LED's with range up to 50ft. Vandal proof outdoor housing is designed for extreme condition. Adjustable dome with lock collar for easy installation and adjustment.

- 1/4" Sony Color CCD
- 420 TV Lines of Resolution
- 0 lux
- Vandal Proof Outdoor Housing
- 24 LEDs for night operation
- IR Range: up to 50f

Specification

General Functions			
Lense	3.6mm	Mini. Illumination	0 LUX (WITH IR LED ON)
Signal System	PAL/NTSC	SYN. SYSTEM	INTERNAL, NEGATIVE SYNC.
Shutter Speed	NTSC: 1/60s ~ 1/100,000s PAL: 1/50s ~ 1/100,000s	IR Distance	20 METERS (WITH 24 UNIT INFRARED LED)
S/N Ratio	>48dB	IR LEDs	24
IR Status	UNDER 10 LUX BY CDS	IR Power On	CDS AUTO CONTROL
Scanning System	2.1 INTERLACE	Pixel	NTSC: 768 X 494 PAL: 28.375

Special Functions			
AGC	AUTO	GAMMA CHARACTERISTICS	0.45
Power & Other Parameters			
Power Supply	12VDC(+/-10%)/300mA	Operation Temperature	.-10°C ~ 45°C
Storage Temperature	.-30°C ~ 60°C	Weight(kg)	450
Dimensions	94mm X 68.5mm
