

TC9320 Series Indoor/Outdoor Designer Domed Housings

- For Cameras With Pan/Tilts
- Tamperproof Fasteners
- Stylish Design
- Tinted or Clear Dome Models
- Optional Rotating Inner Liner
- Accessories Available

The TC9320 Series are attractively designed 500-mm (20-inch) diameter domed housings for use in a variety of CCTV applications including banks, hotels, and private estates. The top portion of the dome is formed from white plastic; the lower capsule is made of 1/8-inch smoked acrylic to conceal the camera's position. The aluminum pendant and threaded coupling are painted black. A quick release mounting bracket (included) for the pan/tilt assembly allows for fast, easy servicing. Optional heater, blower/thermostat assemblies, and a rotating inner-liner are available.

SPECIFICATIONS

Models

Model No.	Description
TC9320	Tinted dome (1 f-stop light reduction).
TC9320L	Tinted dome with rotating inner liner (1 f-stop light reduction).
