

WLS-15 Water Sensor

Living Worried-free, Without Water trouble

The WLS-15 series of wireless water leak sensor is designed to alert you before the disaster happens and helps to reduce the risk of water damage. It is a perfect solution of monitoring water leaks in basement, garage, bathroom and kitchen or any place water leakage might occur. The WLS-15 can also connect with add-on optional extendable water probe or water sensing cables for different applications, hard-to-reach areas and increase detection area. Completely wireless, WLS-15 can be easily install anywhere needed and provide you with a peace of mind.

WLS-15 series adopts Climax's cutting-edge F1 RF technology to accelerate the speed of signal transmission and deliver extensive RF communication range. WLS-15 instantly sends an alarm signal when detecting the presence of water and generates a loud siren as well as flashes its red LED, providing effective audible and visual alerts to prompt a timely response. The reliable and robust protection the WLS-15 provides radically reduces flood risks in any home and saves the user the potentially exorbitant costs associated with water damage restoration.

Features

- Detects water leakage and floods to deliver early warnings
- Two types of detection probes for wall mounting or ground deployment
- Optional extendable water probe and water sensing cables for hard-to-reach areas and increase detection area
- Generates loud alarm siren when water is detected
- Built-in red LED flashes to provide visual alert when alarm is triggered
- Regular supervision signals to check system integrity
- Low battery detection
- Compliant with CE requirement

Water Probe Cable Included

WPC-20
Water Probe Cable
20cm

Specifications

Frequency	868 MHz / 433 MHz / 869 MHz
Power Source	3V, CR123A Lithium Battery x 1
Battery Life	10 years*
Siren Output	95dB at 1 meter
Operating Temperature	-10°C to 45°C (14°F to 113°F)
Operating Humidity	Up to 85% non-condensing
Dimensions	95mm x 29.5mm x 82.5mm

* Note: Actual battery life may vary with product settings, operating environment, and usage.

WLS-15 Water Sensor

Optional Water Probe Extension Cables

WPEC-FH
Water Probe Extension Cable - Flat Head

WPEC-1TO4
Water Probe Extension Cable 1-TO-4

WPEC-170
Water Probe Extension Cable 170cm

Optional Water Sensing Cable

WSC-120-P
Water Sensing Cable (pin) 120cm

Applications

Optional extension cables come in various types, allowing you to combine them in the way that best works for you. Following are a few possible applications:
