

DH-ITALE-070

ITS Special LED Light

Features

- Adopt ATMEL, AVR series high performance MCU
- High-brightness LED
- Trigger interface
- Automatically lighten in low illumination
- Support compensation light synchronous in video mode
- Apply to ANPR, red light enforcement system

Specifications

Model		DH-ITALE-070
Performance	Power	≤90w
	Client Interface	RS485 Serial port
	Illumination Angle	10、25、40
Environmental	Temperature	-30°C ~+70°C
	Protection	IP65
	Power Supply	AC220V/50HZ±10%
	Dimension	249.6mm*210mm*109mm
	Weight	6kg

Dimensions (mm)
