

# NIMRA

Article-No.: 93170

Video Management Software, for eneo NT, NX, NL, Single User

#### Mainfeatures

Efficient, stable and fast network accessibility Full image function Bi-directional audio support Software set up & programming via network Enables control of PTZ and dome cameras

### Specifications

Simultaneously view & record for up to 16 cameras Continuous, scheduled, alarm & motion record modes Multiple search functions for record events Arbitrary access on live pictures Alarm alert function (display)

Software Type	Basic viewer and recorder for up to 16 eneo N-series
	cameras and servers
Software Categorie	Video Management
Series	eneo NT, eneo NL, eneo NX
Application	single user solution, Windows client for the Numina server
RAM	Internal memory 1GB or more
Operation system	Windows XP, Windows 7
Harddisk capacity (internal)	approx. 40Gbyte (depend on configuration level)
System requirements	Processor: Pentium IV, Core2 Duo; 2.8GHz; 512MB RAM;
	Microsoft Windows XP, Vista, CPU Intel <sup>®</sup> CoreTM 2 Duo
	Processor or higher, RAM 4GB or larger, network Ethernet
	(100 Mbit or higher), Graphics Adapter AGP 8x, PCI
	Expressx2, 1680x1050, ATI Radeon HD350, nVidia
	9800GT or higher, Hard Disk SATA2 500GB (200GB free),
	Software Microsoft DirectX 9.0 or newer, Microsoft Internet
	Explorer 6.0 or later
Licence	Freeware as a bundle with eneo hardware or via download
	after registration

# Specifications (continued)

Licensing method     unlimited       Demo version     Freeware       Languages (client)     German, English, French, Italian, Spanish, Japanese, Russian       Support of mobile units     n/a       Alarm management     automatic dome camera control, Siren, alarm in and output       Alarm management     yes       Control units (external)     keyboard, mouse, joystick       Decorder support     no       Sile maps     yes       Multi monitor operation     yes       PTZ support     yes       Recording format     MUPEG, MPEG4, H.264       Playback format     H.264, MPEG4, MJPEG       Recording functions     event triggered, time triggered, permanent, motion detector, contact       Supported network suppliers     eneo N series       Supported video sources     network camera, network encoder       Supported video sources     no       Compression standard     H.264, MPEG4, MJPEG       Managable video sources max.     16       OPC connection     no       Analysis mode     no       Analysis mode     no       Analysis mode     no	Licensing type	frei usage
