DESCRIPTION

FERMAX is presenting its **new VEO WIFI Kit** for single family homes, offices and businesses.

VEO WIFI is equipped with a Wi-Fi connection that allows calls forwarding to mobile devices. Thanks to the Fermax BLUE app, available free of charge on Play Store and App Store, the functions of the video doorphone can be managed from a smartphone or a tablet, in order to connect you to your home, wherever you are.

The DUOX VEO WIFI monitor is made of high-impact ABS plastic. It incorporates a 4,3" (16:9) panoramic color TFT screen. Its unique handset design incorporating a magnet enables the user to put it back into position correctly when the call is finished. Its balanced design of pure lines is distinguishing, modern and minimal.
