

# C-ML217VC

17" VGA/BNC TFT CCTV Monitor

The C-ML range of commercial LCD Monitors offers good picture quality and a sleek and pleasant design normally associated with higher end units. An impressive 800:1 contrast ratio and 1280 x 1024 resolution and response time of 6ms gives you the ultimate performance and delivers crisp clear images.

This range of monitors also feature an analogue input, VGA and S-Video capabilities providing various connection options. The slim design maximises desktop space and makes a perfect fit for almost any office or commercial application. The desk mount can be easily removed to allow the monitor to be fitted with any standard 75mm VESA accessories.

## Key Features
