Zoom Sense Cameras

Ikegami the leading provider of 'Professional High Quality Broadcast and Industrial Video Products is proud to announce the new Zoom-Sense Range of Cameras. They have a massive 550TVL of resolution in Colour Mode and 600TVL in Monochrome. On screen display (OSD) is included as standard to make setup fast and easy. All cameras in this range have a 10X optical and 10X digital Zoom that can be remote controlled using RS485 protocols. They are available either with an Anti-Vandal IP66 or Impact Resistant IP66 casing and superior high sensitivity at low light levels, making this range ideal for cost effective internal/external installations where Ikegami Quality and Reliability is called for.
