

Digital Video Recorder (Stand alone)

LDV-S154 (16 channel)

Feature

- 16 Channel / Triplex (recording, playback, monitor and network playback)
- Wavelet video compression
- Up to 4 HDDs in one unit
- Diverse monitor device : 2 monitor, 1 spot, 1 S-video, 1 VGA
- Adjust brightness, contrast, saturation and hue
- Multiplexer recording
- 1CH audio recording
- Schedule programming function
- 7 steps recording resolution
- Motion Detection function
- Various recording mode : recording frame, pre-recording(3steps), post-recording(1Min)
- Average file size : 10KB
- Various backup device : USB, IEEE1394, Removable HDD, Network
- Various playback mode : Panorama, PIP
- Remote view, search and backup through network
- E-mail notification in emergency
- Multi language GUI
- WATCHDOG
- Jog&Shuttle control provides convenient play
- Enable to control P/T/Z camera remotely

Specifications

Model		LDV-S154	
Video	Input Channel	16CH	
	Output Channel	Monitor 2, Spot 1, S-Video 1, VGA 1	
Audio	Input Channel	1CH	
	Output Channel	1CH	
Alarm	Input Channel	16	
	Output Channel	4	
Recording	Compression	Wavelet H/W Codec	
	Multiplex	Triplex	
	Recording Type	Mux Recording	
	Resolution	NTSC	720(H) x 240(V)/Channel
		PAL	720(H) x 288(V)/Channel
Frame Rate	NTSC	60 field/Sec	
	PAL	50 field/Sec	
Display	Frame Rate	NTSC	960 field/Sec
		PAL	800 field/Sec
Storage	HDD Quantity	Up to 4 HDDs	
	Back up	R-HDD, USB, IEEE1394, Network	
Add Function	PAN/TILT/ZOOM Speed	RS485	
	Motion Detection	Yes	
	Protocol	TCP / IP	
Dimension	WxHxD	432x88x430
