

**CCD60 CAMERA HOUSING
CHB-1 BRACKET
CHB-2 BRACKET**

The Nortek CCD60 camera housing is an economical, stylish, dustproof unit designed to be mounted on, or from, the Nortek CHB-1 or CHB-2 housing bracket. The CCD60 is manufactured from white powder coated steel with mounting positions provided on the base and lid for a standard 1/4" Whitworth screw. (Special finishes are available such as nickel plate or black powder coat but are subject to minimum order quantities and extended lead times).

The lid is pivoted at the rear to provide easy installation of the camera and is secured via two screws. A 20mm cable gland is provided for cable retention.
